Diagram illustrating the structure of a 2D array (matrix) with dimensions P_0 by N . The array is represented as a grid of elements, with the first row labeled K and the last row labeled P_1 . The columns are labeled A and D .

```

      P1  P0/  1  N
P1      P0  A  K  /  1  K
      P1      P0  A  K  /  1  N  K
P1  P0-D
      P1      P0-D  A  K  /  1  N  K
